Item No: 599T
Side cutter - oval head

The Weller Erem distance cutters are available with fixed and variable cutting lengths. With the distance cutters wires can be cut to the correct length. They are also suitable to fix components. The tips are polished as to prevent board damage. The cutters are made from high grade tool steel with tungsten carbide inserts along the cutting edges (over 80HRc).

KEY FEATURES

- This is the most widely used head shape.
- Fits for all cutting applications where easy access is given
- It is robust and size for size offers the highest cutting capacity.
