

ML200 Magna-Lite

Item No: ML200 Magna-Lite

The Magna-Lite table-top torch is a powerful compact performer. With a mid-setting run time of 60 minutes and a powerful, wind-resistant 2,500-degree Fahrenheit flame, the ML200 is perfectly suited for soldering and brazing, heating and bending thin metal, loosening frozen or rusted nuts and bolts, and many other uses around the home, shop, boat, or campsite. Child-resistant safety trigger reviewed and approved by Consumer Products Safety Commission. Refillable, butane sold separately.

YOUR BENEFITS
