

Work Station Mat, Size Large

Item No: WLACCWSM1-02
Weller® Soldering Work Station Mat
Size Large

Protect your surface with Weller's Large Soldering Work Station Mat. The anti-slip, silicone mat resists high temperatures and helps to keep your space clean and tidy. Includes a ruler and individual compartments and four magnetic areas for storage.

YOUR BENEFITS

- Surface Protection
  Silicone soldering mat protects your workspace from burns by resisting temperatures as high as 930°F/500˚C.
- Clean & Tidy Workspace
  Maintain a clean and organized soldering work environment. Ensure no small parts or tools are lost with individual compartments and placement slots for efficient organization. Silicone soldering mat includes a built-in ruler and four magnetic areas for secure storage.
- Anti-Slip
  Work safely and more efficiently with the non-slip silicone soldering mat.
- Large Format
  Protect your workspace with the Large 21.5 X 13.75 inches (546.1 x 349.3 mm) silicone Soldering Workstation Mat.
