

## WXHAP200 Set

Item No: T0052712099N

Hot air soldering iron set with safety rest

## KEY FEATURES

- + Hot air soldering iron set with WSR 209 safety rest
- + 200 W, 24 V
- + Temperature range 50°C to 550°C
- + Blue LED light
- + Internal Parameter storage (zero tolerance)
- + Hot air flow ionic free

TECHNICAL DATA

|                                                   |                     |
|---------------------------------------------------|---------------------|
| ESD Safe                                          | Yes                 |
| Hot Air (picto)                                   | Yes                 |
| Maximum Hot Air Flow Rate l/min (Depends on Tool) | 20 l/min            |
| Power                                             | 200 W               |
| Supply Unit                                       | WXA2 WXR3           |
| Temperature Accuracy °C                           | ± 30°C              |
| Temperature Accuracy °F                           | ± 54°F              |
| Temperature Range (Depends on Tool)               | 93 - 537°C          |
| Tip Range                                         | F R D Q             |
| Tip Type                                          | F R D & Q Series WX |
| UPC                                               | 037103304209        |
