

## Laser Line LL 150

Item No: FT-L15N

Laser extraction unit, 100- 240 V / 60 Hz

## KEY FEATURES

- + Remote control via RS 232 port
- + Efficient laser extraction unit for low dust amount
- + Optical and acoustic filter full alarm
- + Switch power supply 100 - 240 V
- + 3 levels of filtering

## TECHNICAL DATA
