Item No:

14 Piece Series 99® Screw and Nutdriver Set

The Series 99 provides unmatched versatility with its modular design, featuring interchangeable blades, shanks, and handles. This allows professionals to tailor their toolkit to their specific requirements, ensuring it evolves alongside their needs. The tools are engineered for maximum adaptability and streamlined efficiency, empowering users to curate an ideal set for any given job.

For those looking to enhance their current toolset or those starting anew, the Series 99 presents an economical and flexible option.

It's a smart investment for professionals seeking a comprehensive and customizable solution.

KEY FEATURES

- + Weller® Xcelite® Series 99® 14 PC Tool Kit with Nutdrivers and Screwdrivers in a Roll Pouch
- + 14 piece kit contains the following Series 99 tools: 991 Regular Handle, 9 Nutdrivers, 2 Slotted Screwdrivers, and 2 Phillips® Screwdrivers
- + Series 99 service kits and sets are part of the Series 99 interchangeable blades, shanks and handles which allows for easy replacement or expansion based upon your tool needs to speed up assembly and service repair work
- + All blades are made from high-quality steel, hardened and tempered for optimum performance
- + Use with Series 99® Handles which have a patented spring device that holds the shaft firmly, yet permits quick, easy insertion and removal
- + Ease of access and storage in a durable, roll-up plastic coated canvas case
- + Weller Xcelite has a full line of high-quality durable precision hand tools, specialized tools, and kits that are expertly crafted for their specific task. For the hobbyists and prosumers who depend on precision hand tools, Xcelite has been the favorite of service technicians for almost 100 years.
