

Work Station Mat, Size Medium

Item No: WLACCWSM2-02EU
Weller® Soldering Work Station Mat Size Medium

Protect your surface with Weller's Medium Soldering Work Station Mat. The anti-slip, silicone mat resists high temperatures and helps to keep your space clean and tidy. Includes a ruler and individual compartments and four magnetic areas for storage.

YOUR BENEFITS

- Surface Protection
  Silicone soldering mat protects your workspace from burns by resisting temperatures as high as 930°F/500˚C.
- Clean & Tidy Workspace
  Maintain a clean and organized soldering work environment. Ensure no small parts or tools are lost with individual compartments and placement slots for efficient organization. Silicone soldering mat includes a built-in ruler and four magnetic areas for secure storage.
- Anti-Slip
  Work safely and more effectively with the anti-slip, silicone soldering mat.
- Medium Format
  Protect your workspace with the Medium 17.5 x 11.75 in. (455 x 300 mm) silicone Soldering Workstation Mat.
