

ZeroSmog Guard 2 Kit2 ALFA

Item No: FT91026699

Breathe easily while working with the Weller Zero Smog Guard, the quietest filtration unit on the market. This superior unit keeps your workspace clean, quiet and refreshed. Its compact design fits conveniently under the operator's bench, ensuring it doesn't take up valuable space. The Weller Zero Smog Guard prioritizes your health allowing you to focus on your tasks without worrying about air quality. Enhance your work environment and protect your well-being with this efficient and reliable fume extraction solution. Let Weller Zero Smog Guard help you maintain a healthier, more comfortable workspace all day long.

KEY FEATURES

- Clean & Healthy Air

 Provides superior air quality through high-efficiency filtration of soldering particles and gases with a large filtering surface (H13 HEPA particle filter, activated carbon, and potassium permanganate).
- Superior Experience Lowest noise level on the market ensures a healthy, pleasant, and comfortable working environment.
- Quick and Easy Filter Change
 Ensures user convenience with fast, hassle-free replacements of both, prefilter and main filter.
- Compact Design
 Saves space with a compact, under-the-bench design ideal for dual-user use.
- Powerful Extraction

The robust blower maintains sufficient suction pressure throughout the filter's life, ensuring a high flow rate to capture all smoke effectively. Maximum Control Filter condition monitoring to ensure timely changes, as a full filter cannot clean the air effectively. **Dual User Filtration Unit** 142 W, 230 V Highest level filtration - for cleaner and healthier air High efficiency particle and gas filtration Odour removal during soldering Powerful blower maintains suction pressure throughout the filter's life High flow rate to collect all the smoke Filter condition monitoring to ensure timely filter change Bright light bar indicates status of the extraction unit Quiet - lowest noise level on the market - less than 55dB Easy main and pre-filter change Low maintainance Easy-to-reach on/off switch ESD safe Retains Weller Easy-Click 60 Hose system ZeroSmog Guard 2 230V, 1 x main filter (HEPA H13 and Activated Carbon + Potassium Permanganate) 5 x Prefilters 2 x ALFA nozzle, 2 x Hose 0F10, 2 x WFV Shut-off Valve 2 x 3m Flexible Hose **TECHNICAL DATA**
