Declaration

About implementation of REACh Regulation 1907/2006 requirements.

In relation to REACh our company is a downstream user and is not responsible for registration of substances. We are in contact with our suppliers, and we expect that they register within the appropriate dates.

To the best of our actual knowledge, no products that you receive from us will be removed from market on reasons with the REACh registration process, so you can be assured we will continue to supply material to you in the usual way.

The products or packaging do not contain any Substances of Very High Concern (SVHC) of the REACh Candidate List in a concentration above the allowable limit of 0,1 % by weight.

See actual issue and listing **in attachment**.
