

Soldering Accessory Kit

Item No: WCACCK2

Soldering Accessory Kit

The Weller WCACCK2 Soldering Accessory Kit can be used with Weller soldering irons, soldering stations and soldering guns for electronic projects and repairs. This set comes with rosin flux paste, lead free solder, flux brush and a brass wire cleaner with silicone holder.

YOUR BENEFITS

- + Improve Solder Joints**
Apply lead free and RoHS compliant rosin flux paste with flux brush to improve wetting and flow of solder for easier soldering and improved solder joints
- + Dry Tip Cleaning**
Maintain tip cleaning and effectively remove residual solder from your soldering tools without damaging your tips with Weller's Soldering Brass Tip Cleaner with Silicone Holder
- + Extend Tip Life**
Use Weller's Soldering Brass Tip Cleaner with Silicone Holder by simply plunging the iron tip into the brass coils that clean, prevent rust, and extend tip life
- + Versatile**
Items in kit can be used with soldering irons, soldering stations and soldering guns for electronic projects and repairs
