

595T

Item No: 595T
4-1/4" Diagonal Semi-Flush Cut Magic Carbide Cutter

The Weller Erem Series 500 Micro is a full range of medium sized, robust, precision cutters with a wide range of head shapes. The cutters are made from high grade tool steel with tungsten carbide inserts along the cutting edges (over 80HRc). The precision cutters have a nonreflecting surface, are ESD safe and resharpenable.

KEY FEATURES

- The jaws of the cutter have straight edges and taper to a point. This head shape allows access to difficult to reach areas but reduces the cutting capacity in comparison to the same size oval head cutter.
- Tungsten-carbide cutters

TECHNICAL DATA

Length	4.52 in
Application	Microelectronic, Medical Technology
Head Length	0.75 in
Head Thickness	0.2 in
Head Width	0.4 in
UPC	043127077050
Weight (Catalog)	0.067 kg
Product Family	500 Series Medium Cutters
