

WEHT Exhaust hood for rising fumes

Item No: FT91000022N

Extraction hood WEHT with Easy-Click 60 exhaust top connector

KEY FEATURES

- + For applications where fumes spread rapidly due to a drafty work environment.
- + The hood encloses the source, enabling fumes to be captured before they contaminate the workplace
- + To guarantee sufficient extraction results an extraction unit with minimum 230 m³/h must be connected to the hood
- + The housing is PET and is NOT ESD safe
- + Compatible with Weller Zero Smog 4V or Zero Smog 6V systems

TECHNICAL DATA

Dimensions L x W x H	860.0 x 510.0 x 460.0mm
UPC	037103310620
Weight (Catalog)	8.00 kg
