

## Zero Smog 6V 100-120 Volt Gas Filter

Item No: T0053667299N

Mobile fume extraction unit 100-120 V with filter for adhesive fumes.

The Zero Smog 6V fume extraction unit is easy to install and operate. It is designed for use as a centralised system. A powerful, maintenance-free turbine provides continuous fume extraction at a maximum air extraction rate of 615m<sup>3</sup>/h. With constant flow control the turbine speed is automatically adjusted to demand, avoiding unnecessary waste of suction power resulting in energy savings.

## KEY FEATURES

- + For up to 8 workplaces
- + 1 connection included
- + The constant flow control (CFC) guarantees a optimal air flow regulation for each work place independent of the connected workplaces.
- + Efficiency test via USB port
- + Electronic filter control with optical and acoustical filter alarm
